

4TH AND 5TH AMENDMENT.

ANNIE MAUD CARTER, Sworn for the State. I was in the Fulton County Jail 6 months. I went there Last October and Jim Conley was in jail when I was put in jail. Whenever Mr. Roberts would go downstairs to empty the slops I would go around to see Jim Conley and give him things to eat, and I think I went the first Sunday in December. I wrote him two or three letters, and he sent them back because he said he couldn't read them. No I wrote him three and he wrote me two to my knowing. There was nothing vulgar in either one of the letters he wrote me, and I sent the letters back to him by Fred Ferguson because I couldn't real [sic] all of them, and I sent them back to him and went down there at 12 o'clock to see what he wanted and he wanted me to let him have ten cents to get a piece of bread and some sardines, and if there is anything vulgar in any of those letters he wrote, it has been put in there since he wrote them to me by somebody else. Jim Conley told me this last gone Tuesday when I was up there to see Asa McFarland. He asked me if any of Mr. Burns' men had been to see me, he said first did I know this other girl, where she lived, that had been coming there, and I said I know where she lives, but I don't know her name, I knew her sister but I don't know her, and he says I know where she lives, and he said somebody told the sheriff about me talking to Jim and they looked me up about it and I stayed there a week and they found I wasn't down there at the time they said I was and Mr. Roberts had the sheriff turn me out again, and Jim told me Tuesday that someone took those letters I wrote him and the ones he wrote me and I sent back. I asked him if he had them and he said no that somebody took them sometimes in January, but that he just hated to tell me. I said don't forget to take those letters out with you, for he told me he was going to get out in May, and then he told me that somebody got them. During Christmas, I was due to go in at 7 o'clock and Mr. Gillem would let me stay out until nine and nine thirty. One day Jim Conley said "are you going to let her come in here Mr. Gillem" and Mr. Gillem said he could not do it then that I had better wait until another time, and I said I don't want to go in there, and Jim said, "if he will let you in here it will be satisfactory won't it" and I says "I don't think that much of you and Jim says "you haven't been corresponding with me all this time and don't think that much of me, do you". But Mr. Gillem told me he would give me \$2.00 himself if I would go in there and see Jim Conley. Go. Wren wrote a letter and give it to me, he dropped it first, he said you are going downstairs now and I said yes, and he said you go downstairs and give it to Jim Conley and tell him it just come in through the mail, and I took it down there and Jim said you know I can't read, maybe it is from my mother and I thought it was devilment in it, and it said in the letter, "Now you know you know all about this, why don't you tell the truth about it, for you know you are in the hands of your enemies, and I will do this and that to you, and if you don't tell the truth about it you will be hung by an enemy that is bitterly against you", and right after that I goes to Mr. Suttles, he can remember the time, he was going down and Jim Conley hid from him because he thought he was a Jew. He went back and got another man, I think it was "Mr. Owens, and he said, "here is another Jew Conley and laughed, and Jim Conley said "I thought you all were Jews at first. Mr. Gillem says to me, "You go in there and talk with him for he will tell you anything, and I went in there one evening at 3 o'clock and stayed until 7:30 and Mr. Gillem told me to find all I could from him. Of course he said he didn't believe Him was guilty but he believe he knew something. I asked Conley, I said "I want you to tak[e] an oath and swear to me if you know anything about it" and he said "Yes I knoew [sic] Mr. Frank killed that girl" and I said "what else did he do" and he said "I don't know but he killed her and made me take her downstairs" and I sais "Is that all" and he said "yes" but he would tell me other things about Mr. Frank being with these different women at the office, and I come out and told Mr. Gillem this, and he said "that is the same thing he tells everybody." Mr. Gillem tried to get me to go in there, he said "you are not obliged to be with him, I just want to see if he will try to fool with you with his mouth or his privates." I have asked Conley and he said he wouldn't do anything like that. I asked him which he done it and he told me and said he never did anything but in the natural way. I saw him stark naked one day just like he was born, and he looked alright to me, and I asked Mr. Gillem

who said Conley was a cock sucker, and he said "Oh, that son of a gun can do it as good as any man. The first Sunday in December, I was sitting on the second floor, and a Jew came up. Mr. Frank was out there and three or four more Jews. Mr. Pappenheimer was there with him too. This Jew asked me was I out all the time, and I said yes, and he said I want to see you, and I said all right and he said do you know how to get rich right quick, or have you as want, or more than you will ever be able to dispose of. Do you ever go to talk with Jim Conley, and I says I am on my way there now. And he said I want you to do something for me and state your price. It is dangerous; don't let get about your food. I want you to take this little vial and put a drop in his food and give it to him and I will guarantee you will have a pot of money and will be a free girl before tomorrow night, and I said he ain't done nothing to me and he said I know, but it is our man he has got and what do you care about a negro hanging, all you want is money, and I said I don't want the money and he said if you refuse the money you are a damn fool and walked off. I don't know his name, but he comes up there with Klein boys. He has black hair and his hair stands up and his hat pulled down on one side.
